User form (For internal and external users).

1. Name of the user:
2. Name of the supervisor:
3. Name of the School/Department:
4. Affiliation (*for external users*)
5. Name of the sample with formula:
6. Total number of samples:
7. Nature of the sample (Only solid sample possible):
 - (a) Powder
 - (b) Pellet
 - (c) Thin film
8. Resistance of the sample at room temperature using multimeter (in ohms):
9. Name of the excitation source required (X-ray/UV light):
10. Binding energy range required.
11. What information you would like to extract from the collected data*. (If required include additional sheets)
12. Any other information about the details of your sample, measurements etc. (If required include additional sheets)

Signature of the User

Signature of the Supervisor

Date & Official Stamp
