

IIT Mandi
Proposal for a New Course

Course Number : HS107
Course Name : Exploring Creative Art Forms
Credits : 1-0-0-1
Intended for : UG
Elective/Compulsory :
Semester : Odd/Even

Course Description:

This course allows students to experience and explore different creative art forms. After having completed this course, students should have a better understanding of various creative art forms, and their own creative abilities and interests.

Course Content:

Module I: Performing Arts

In this module, students will be introduced to various forms of performing arts including drama, music and dance. [5 hours]

Module II: Visual Arts

In this module, students will be introduced to visual arts such as sketching, painting, photography, crafts and installations. [4 hours]

Module III: Literary arts

In this module, students will be introduced to literary art forms such as poetry and fiction/non-fiction writing. [3 hours]

Module IV: Project work

In this module, students will explore and engage themselves in one specific art form in greater depth. [2 Hours]
