

**Walk-in interview for the post of Assistant Project Manager in a District
Disaster Management Authority Mandi Project**

Applications are invited from Indian citizens for a walk-in interview for one post of Assistant Project Manager in a District Disaster Management Authority Mandi funded project (IITM/DDMA-M/VD/325) at IIT Mandi.

Title of the Research Project: Development of low-cost landslide monitoring and warning system.

Project details: In this project, we intend to develop low-cost landslide monitoring and early warning system. We also intend to deploy the developed landslide monitoring system in the landslide-affected areas in Mandi district, Himachal Pradesh, India. The Assistant Project Manager would oversee, plan and coordinate the deployments and maintenance of systems at different locations.

Minimum qualifications: MBA in relevant areas with a minimum 60% marks.

Desirable qualifications: 1-year managerial experience in disaster management, especially in the disasters of hilly areas (e.g., landslides).

Joining date: As soon as possible.

Position: Assistant Project Manager

Salary: Maximum up to INR 28,000

Duration: 1-year, and extendable to maximum 3 years based on performance

Candidates meeting the qualifications and experience should submit their details and CV online via the following link for the walk-in interview (before 8 PM on 25th May 2021):

<https://forms.gle/j6jpmbZhVoXUB34BA>

Walk-in interviews would be conducted in an online mode. The date and time of the interview along with the online link will be shared by email with candidates before the interview.

The decision of the selection committee regarding the interview logistics and selection process for the post will be final.

The selection committee reserves the right to fill or not fill the advertised post.
