

5WIP Open house on 2nd September 2017

After five weeks of intense induction program, the first year B.Tech students showcased their learning experience in the 5WIP open house held on Saturday 2nd September.

The art mini projects in sketching, 3D sketching, installation, and story boards were displayed in Maple mess hall from 3:30 PM onwards. From 5:30 to 7 PM, students performed dance, Naati dance, theatre demo, songs and poetry learnt and polished as part of their 5WIP creative stream mini project. Best pictures taken by the photography group were also displayed.

Students were awarded prizes for being punctual, showing enthusiasm and being helpful with goo team spirit throughout the 5WIP. 20 students received awards. Bosons group was awarded best presentation award for the 5WIP conclusion session held on 1st September.

Faculty, staff members and senior students who were part of the 5WIP enjoyed the cultural show by freshmen and the special dinner that followed.
