

BLOOD DONATION CAMP

Dated: - 27th May 2016

A spider bite might not transform you into a superhero, but a small needle prick and a little of your time sure can. Yes, by donating blood you'll be saving up to three human lives each time. And here is even more awesome news: not only is donating blood extremely beneficial to those on the receiving end, it also has proven benefits to the person donating blood. Yes! That's what Students of IIT Mandi did on 27th May 2016. Keeping in view the problem of acute blood shortage, A Blood Donation Camp was organized by the NSS-IIT Mandi in collaboration with Blood Bank Zonal Hospital, Mandi. It was organized with the help of Blood Bank, Zonal Hospital, Mandi and Medical Unit IIT Mandi Kamand. It began at around 01:00 p.m. and continued up to 05:30 p.m., with a steady stream of donors throughout. Students, faculty and staff members participated voluntarily in the camp.

Students are donating blood

A5-5 room was utilized for a thorough medical checkup of potential donors as well as for the donation. Donors were provided with the refreshments. Around 50 units of blood was collected. The samples were carefully sealed and transported to the blood bank.

We thank IIT Mandi campus community for coming forward for this noble cause.
