

PARTICIPATION IN NSS YOUTH CONFERENCE BITS PILANI, RAJASTHAN, INDIA

On 15th & 16th February 2014 NSS unit BITS PILANI organized the Youth Conference. A team of 3 members, Rajat Valecha (B13220), Shubham Chandel (B13231), Prashant Kumar (B12072) represented IIT Mandi in the event. They presented the detailed report of what NSS IIT Mandi did in the past year.

NSS volunteers at BITS Pilani to take part in the conference

There were eight teams which participated in this event and also did the same. These teams were from different major colleges across India like IIT Delhi, Shree Ram College, Lady Shree Ram College and DTU.

NSS volunteers are representing IIT Mandi in the youth conference at BITS, Pilani

This was a great opportunity for our volunteers to interact with other NSS chapters all over India. They got to know what other NSS units are doing and their future plans. They discussed their future plans with them too. All the teams shared the problems faced by them in their respective areas and the ideas to tackle those.

NSS volunteers are taking part in youth conference

In that conference they gained knowledge and learnt better approaches towards these NSS activities. This life time experience was an eye opener for them. They learnt how even simple but dedicated approach towards a problem can change the life of people associated with it.
